EXPERIENCE

- | | |
|-----------|--|
| 2016-2018 | Wandr UX/UI Designer · Remote
Designed UI and UX solutions for multiple client projects across web and mobile platforms, creating user flows, wireframes, prototypes, and high-fidelity interfaces. |
| 2018-2023 | BitterBrain Product Designer · Remote
Designed end-to-end user experiences for educational and SaaS products, from research and wireframes to polished interfaces, design systems, and developer handoff. |
| 2023-2025 | SPD Tech Lead Product Designer · Part-time
Led end-to-end product design for complex digital products, shaping user experiences, influencing product decisions, and driving successful product launches across multiple platforms. |
| 2024-2025 | Fozzy Group Product Designer · Part-time
Designed scalable enterprise solutions for one of Ukraine's largest retail groups, simplifying complex processes, improving user productivity, and enhancing operational efficiency. |
| 2025-2026 | SmartCrowd Lead Product Designer · Remote
Led product design for a regulated real estate investment platform, shaping core investment experiences across web and mobile products while driving product innovation and business growth. |
